

The members of our **Medical Partnerships team** are specialist lawyers who work with a wide range of GP practices and combine their expertise to provide a comprehensive service to medical practitioners.

Clarkson Wright & Jakes Ltd
Solicitors and Notaries

Our team have been providing legal services to other LMC's for several years including an employment law telephone helpline for all GP practices in Kent providing daily advice to GP Partners and Practice Managers.

We are ranked highly in the **Chambers Directory** (a leading guide to the UK legal profession) and have been praised for our work in the Health Sector.

We can assist you with:
