Stock Management/Bar Coder Service From Henry Schein Medical

Henry Schein Medical is pleased to offer a free stock management system to all existing customers providing labels and bar coder. (Usual RRP £240 plus VAT).

Service includes:-

- ▶ Free bar coder and labels
- ▶ Local Account Manager to review purchasing analysis and provide minimum stock level advice
- ▶ Business review provided with annual savings against current suppliers
- ▶ Assistance with set up of stock and labels
- ▶ Full training provided on-site
- ▶ Reduces time spent on ordering by at least 2 hours a week
- ▶ Simple to use enabling any appointed person to do the ordering (product knowledge not required)
- ▶ Purchasing easily covered by any appointed person during holiday/sickness periods
- ▶ Reduces holding excess stock
- ▶ Products up-loaded via USB straight onto our website for final review before checkout
- ▶ Quality products and next day delivery from Henry Schein

To book an on-site meeting,
please call 0800 0304169
and ask for your Local
Account Manager to visit!
